Subject: Revised Notice of Responsibility for Fuel Leak Case No. RO0003216 and GeoTracker Global ID T10000008860, 1244 2nd Avenue, Oakland, CA 94606

Dear Mr. Moore,

On May 15, 2016, ACDEH mailed via certified mail a Notice of Responsibility (NOR) to all identified Responsible Parties for the above referenced fuel leak case. All past and present owners of the property that were listed on the County of Alameda's Assessor's Parcel website were identified as Responsible Parties.

Upon review of the case file for this site, it came to my attention that the NOR that was sent to the current owner of the property listed as "Julie M. Bettie, 1244 2nd Ave LLC, 740 Bay Street LLC" was returned to ACDEH as "return to sender, not deliverable as addressed, unable to forward".

On October 12, 2016, I spoke on the phone on with your associate Katarina Stamm, and she verified that the address listed on the County's website for "Julie M. Bettie, 1244 2nd Ave LLC, 740 Bay Street LLC" is correct. Therefore, ACDEH will resend a NOR to you via certified mail on October 17, 2016, to the same mailing name and address, but the mailing name will also include "Attn: Trent Moore."

In addition, it was noted during the review of the case file that there were inaccuracies in the original NOR that was sent in May. Therefore, a revised NOR will be sent out to all identified Responsible Parties on October 17, 2016.

If you have any questions, let me know.

Sincerely,

Anne Jurek, M.S.
