Hi Hayley,

Thank you for uploading this report. We have performed a cursory review of the draft document and everything looks good at the moment. Given that, please continue with the second round of riser sampling as planned. If you have further questions, please let me know.

Good Afternoon Dilan,

With the approval of Scott Schoeman, our Draft Initial VMS Monitoring Report for The Bungalows was uploaded to the ACEH FTP site and Geotracker by Bob with Pangea for your review (confirmation attached). We are hoping to get any comments by COB Tuesday, April 25th so we can continue with the second round of riser sampling as planned on Monday, May 1st. Please contact me with any questions. Thank you.

Best,

Hayley
