

environmental service

by Papineau, R.E.A. 791

RECORD OF TRANSMITTAL

TO: Mr. Don Hwang

cc. Mr. Hernan Gomez
Ms. Lynn Nakashima
Mr. Jack Sumski, Jr.

FROM: Marc Papineau

DATE: 9/12/2000

REFERENCE: 1723 Fruitvale Avenue Oakland, California
(ES Project 2000-033)

Enclosed please find the following items: **Corrected page 1 of letter dated September 11, 2000 (see NOTE below).**

NOTE:

Page 1, bottom, item B), is corrected to identify the PCE concentration in soil at 11 feet bgs at location B4, at the reported concentration of 34 $\mu\text{g}/\text{kg}$.

PCE was not reported to be present at a detectable concentration at direct-push location B3 or at location SS-1 which is the location of the excavation to remove the former hydraulic hoist.

I apologize for the incorrect statement on page 1, bottom, item B).
