Subject: Work Plan Extensions RO #'s 067 Emeryville and RO 0219 Oakland

Hi Barbara,

I sure hope your holidays have gone well.

During our fourth quarter meeting we had planned on providing the above site work plans in December. Due to additional work and site field review requirements the work plans are not complete but are on track to be done no later the February 1, 2009.

I am asking for your approval to have the following two site work plans extended to February 1, 2009.

RO 067 Emeryville (1400 Powell St)

RO 0219 Oakland (449 Hegenberger Rd)

Your review and approval of this request would be appreciated.

Have A Great New Year

Respectfully,

Terry L. Grayson
