Dear Mr. Wickham:

Stantec Consulting Corporation (Stantec) has prepared this addendum to the Semiannual Status Summary Report First Quarter 2011 submitted on April 15, 2011 to correct a date error on page one of the text. The date stated as the Effective Date for the transfer of management of the environmental remediation activities at 800 Harrison Street from ConocoPhillips Company to Union Oil Company of California was March 18, 2011. The Effective Date was actually March 17, 2011. We apologize for the error.

Sincerely,  
**Stantec Consulting Corporation**
