

Jakub, Barbara, Env. Health

Subject: RO243 Rockridge Safeway
Entry Type: Phone call
Company: Soil Water Air Protection

Start: Fri 7/22/2011 10:25 AM
End: Fri 7/22/2011 10:30 AM
Duration: 5 minutes

Rockridge Community Group has hired this company to look at the file. I advise Matt Hagemann to look at our file only as the Geotracker file is not complete. If any other USTs were removed and a report is available, it should be on our website.

He also asks if any further work is needed. I told him that at this point, it does not appear that any is needed.
