Dear Messrs. Kiernan and Liu:

Alameda County Department of Environmental Health (ACDEH) has reviewed the case file, including the recently submitted document entitled *Semi-Annual Status Report and Low Threat Closure Review* (RFC), dated December 21, 2017 and prepared by Arcadis U.S., Inc. (Arcadis) for the subject site.

Based on ACDEH staff review of the referenced document and of the case file, we request a meeting to discuss the closure request. ACDEH proposes a meeting time and date of **March 5, 2018 at 10:00 AM** at our offices. Please contact me via electronic mail to confirm whether or not the date is acceptable by February 21, 2018. I will send out an electronic invite if this time and date work for you.

Thank you for your cooperation. ACDEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Sincerely,

Keith Nowell, PG, CHG
