Subject: Public Records Request; Fuel Leak Case No. RO00000257 (Global ID #T0600102154), Abe Petroleum, 17715 Mission Boulevard, Hayward, CA 94544

Dear Mr. Gupta:

This letter is in response to your request for public records on March 6, 2012. ACEH maintains all case files in electronic form; there are no paper files. The electronic case files can be reviewed on the ACEH website (<http://www.acgov.org/aceh/index.htm>). Use the link to the LOP records (center of page), allow pop ups, and then use the search tab at the top of the right hand blue column, choose LOP records, and then case number (using the abbreviated case number as a short cut). Choose the correct site thereafter. Reports generated post-2005 can also be reviewed on the State Water Resources Control Board GeoTracker website (<http://geotracker.swrcb.ca.gov>).

Should you have any questions, please contact me at the listed address.

Sincerely,

Mark Detterman, PG, CEG
Senior Hazardous Materials Specialist
