Dear Mr. Detterman,

Per the advice of Mr. Trommer, I have asked per exercise of my client's rights, that your office be removed as the supervising agency.

Further, your response letter does not comply with the provisions of the CPRA and we expect proper response. You have also failed to explain why you continually force my client's property to be abused and slandered using tax payer money without scientific cause or basis. I kindly advise that you please address this latter point immediately.

Finally please direct all correspondence to me and omit Mr. Som Gupta or Mr. Paul Garg.

Regards,
