Re: **Request for Completion of Review of August 8, 2006 Risk Assessment**
1432 Harrison Street, Oakland, California 94612
Fuel Leak Case #RO0000266, Cambria Project #540-0188

Dear Ms. Drogos:

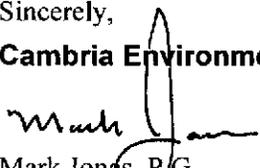

I understand that Don Hwang is no longer the agency project manager for the subject site. I hope the transition of his sites goes smoothly and we look forward to working with the new agency project manager for this site.

We have yet to receive a response from ACEH concerning our August 8, 2006 *Risk Assessment, Allright Parking, 1432 Harrison Street, Oakland, California 94612, Fuel Leak Case No. RO0000266, Cambria Project No. 540-0188*. Please see that the review is done in a timely manner. Please consider our conclusions and recommendations in your determination. We would like to close this site as soon as possible.

Please contact me for any reason at 510/420-3307, via e-mail at mjonas@cambria-env.com, or by letter.

Thank you for your time and consideration.

Sincerely,
Cambria Environmental Technology, Inc.

Mark Jonas, P/G.
Senior Project Manager
