Mr. Wickham,

In order to fine tune the Revised Work Plan June 6, 2008, to the standards of Mark Borsuk and the ACHCS, I am requesting a two week extension to June 20, 2008.

I am planning on sending you the RGA Environmental Inc. "Preliminary Site Assessment Report" dated April 2, 1992, and the EDR Sanborn Map information, with a transmittal letter shortly.

Thank you for your consideration. If you have any question please feel free to call me at (510) 420-3372.
