**Subject:** Request for Extension - Site Investigation Report - Borsuk 540188

Dear Jerry:

We request an extension for submittal of the Site Investigation Report to February 17<sup>th</sup>, 2009. The rationale for this extension is difficulty acquiring an approved access agreement and a request that the agency require the owner of the 1424 Harrison Street property to properly characterize their site. For the agency to achieve a clear picture of our site and the adjacent (1424 Harrison) site and "source", it is necessary that 1424 Harrison is properly characterized.

Thank you for your support.

Sincerely,

**Mark Jonas**
