Fuel Leak Case RO00000298

Dear Ms. Jakub:

On behalf of Chevron Environmental Management Company, for itself and as Attorney-in-Fact for Union Oil Company of California (hereinafter "EMC"), Conestoga-Rovers & Associates (CRA) is submitting this *Request to Rescind Work Plan* for the site referenced above. CRA requests ACEH's concurrence to rescind Delta Consultant's report entitled *Work Plan for Delineation of Dissolved Contamination Plume in Deeper Water Zone*, dated January 8, 2009.

Given the change in environmental consultant, age of work plan, and likelihood that site conditions have changed over time, CRA wishes to re-evaluate the need for any additional assessment and compare against low-risk closure criteria. Upon completion of our evaluation, CRA will notify you of any potential work we wish to conduct as appropriate.

Please contact Laura Heberle at (916) 889-8918 if you have any questions or require additional information.

Sincerely,

CONESTOGA-ROVERS & ASSOCIATES

Laura Heberle
