Hello Jerry,

Thank you very much for taking the time to meet with us last week. While it is still the position of BP and Broadbent that the 2009 soil vapor data is valid, we understand the concerns of the ACEH. We will be preparing the Work Plan as you requested in the December 9, 2013 directive letter. My intention is to get you the Work Plan as soon as possible, but certainly by the February 13, 2014 deadline.

Please feel free to contact me with any other questions.

Kristene Tidwell, PG, CHG
