Hi Tim:

Keith Nowell forwarded me an email response from you dated June 28, 2012 with possible dates for the meeting requested by Alameda County Environmental Health (ACEH) in our directive letter dated June 14, 2012. I am sorry for the late response back to you – your request fell into my email hole. Since the dates you proposed have passed we would like to find other dates that would work for you and the other stakeholders. Keith Nowell will be on vacation from August 26 through September 6 and so I am hoping we can schedule the meeting for the week of September 9. We are currently available on September 11 (anytime), September 12<sup>th</sup> (afternoon), or September 13<sup>th</sup> (all day). Please let us know if any of these dates work for you.

Thank-you,

**Dilan Roe, P.E.**
