Keith,

For your records, ARCADIS has completed the site visits to determine the apartment numbers and addresses/names associated with the strip malls for the above referenced sites. Attached are the revised distribution lists for your records. The highlighted addresses are the addressed that received certified mail.

The public participation notifications were mailed on August 18, 2014. We received back most the certified letters to the properties with wells associated with RO499. Please see the attached pdf letter.

Please let me know if you have any questions.

Kathy
