Dear Mark ,

Mark per our phone conversation earlier today. Conestoga-Rovers & Associates (CRA) on behalf of Chevron Environmental Management Company (EMC) is seeking your approval with regards to an extension request for the results of the site investigation, SCM and Data Work Plan submittal date that was requested by Alameda County Environmental Health (ACEH) in a letter dated March 24, 2014 for the facility referenced above. All field activities for this assessment have been completed and all laboratory results have been received. An extension is requested as additional time is needed to complete the results of this site investigation, SCM and Data Work Plan which will summarize the field activities. An extension of the submittal date of **July 25, 2014** is requested for the results of Site Investigation Report, SCM and Data Work Plan.

Please let me know if you have any questions.

Thank you,

**Nathan Lee, P.G.**
