Subject: Case #RO0000394

Hello Jerry,

I am writing in regards to the correspondence you sent on November 3, 2015 requesting a Low-Threat Case Closure Policy Site Evaluation Report by December 15, 2015.

We have just received the data from the 4th quarter sampling event and are drafting the second semi-annual groundwater monitoring report. I would like more time to review the most recent data and prepare the LTCCP Report. May we have a thirty day extension on the December 15th date.

Thank you,

Eric L. Price
