Barbara - per our conversation last week, this email is the formal request to extend the schedules requested in the letter from the Alameda County Department of Environmental Health dated November 15, 2012. Volkswagen and ARCADIS are requesting a 60 day extension for each of the deadlines provided in the November 15th letter.

ARCADIS and Volkswagen are in the process of procuring the contract to implement the work. We expect to commence this phase of the project within the next 2 -3 weeks.

Thanks Ron.
