Mr. Goswamy,

Thank you for informing me of your purchase of the property. After your purchase appears on the Alameda County Assessor's records, I will prepare an updated Notice of Responsibility, which will be sent to you and the previous Responsible Parties for the site. There are no additional notifications or forms required on your part at this time.

I have not reviewed the Corrective Action Plan and expect to complete that review by June 30, 2008. The next steps in the process are contingent upon whether the Draft Corrective Action Plan requires modification. Therefore, I cannot comment upon the schedule for implementation of the Corrective Action Plan.

Regards ,

Jerry Wickham

Hi Mr. Jerry,

I would like to notify you that I have purchased the site (4276 MACARTHUR BLVD. OAKLAND CA 94619) including land and the improvements as of June 9th. I know there is law to notify county health department about the purchase. I would like to know that how do i notify the county and what forms are required?

I would also like to know that if you have got chance to review the Corrective Action Plan for the same site. And if you have decided about the Public Heraing. Moreover if you have any idea about the estimated starting time for ConocoPhillips to work on Corrective Action Plan.

Best Regards,

Raj Goswamy
