Subject: Acknowledgement of verbal approval of Work Plan and notice of drilling schedule at ARCO Station 6041, 7249 Village Parkway, Dublin, California.

Dear Mr. Arulanantham:

8 AM
This letter is confirmation of the verbal approval of our Work Plan and Addendum One to Work Plan (RESNA August 22, 1991) given by you during our telephone conversation of August 28, 1991. During our conversation you requested to be given notice of anticipated dates of drilling as you might to make a site visit. As of today, drilling is scheduled to commence September 12, 1991 and will be overseen by our staff geologist, Barbara Sieminski. Should any changes to this schedule occur, we will let you know as soon as possible.

Also, you requested a check for \$500.00 for review of the Work Plan and Addendum One to Work Plan. This has been forwarded to your office in care of you. If you have any questions, please call us at (408) 264-7723. Thank you.

Sincerely,
RESNA
