Subject: Site Status Update for ARCO Station 6041, 7249 Village Parkway, Dublin, California.

Dear Ms. Chu:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during March 1993, and site activities anticipated for the month of April 1993.

**March 1993 Activities**

- Performed monthly groundwater monitoring.
- Prepared results of 4th quarter 1992 monitoring report including the results of evaluations of data obtained in February 1993 from the joint monitorings of sites near the ARCO site. As stated in the report, listed leak sites upgradient from the ARCO site may have to proceed with offsite investigations.

**Work Anticipated for April 1993**

- Continue monthly groundwater monitoring, including monitoring of newly installed monitoring wells.
- Schedule meeting between ARCO and the Alameda County Health Care Services Agency to discuss additional work to be performed at the site.
