Stuart,

Since this is a site that has been transferred to the RWQCB, I can't really answer these questions (I did provide some background context to get you moving).

Regardless, I've copied the email address for the case worker, Barbara Sieminski. Her phone number is 510.622.2433. She should be able to address your questions.

Good luck with the site.

Regards,

Mr. Hill and Mr. Detterman:

I am interested in purchasing the property at 2584 Grant Ave, San Lorenzo. I had the ground water tested two weeks ago and the results are attached. Please call me as soon as possible concerning the results of the new test data as I have just 5 days left to make a final decision on purchasing this property.
