Kris,
The site was moved over to the RWQCB due to RP recalcitrance. I believe Barbara Saminski (sp!) is handling. Check Geotracker for contact info and to verify. I've been trying to cover questions from potential buyers while RWQCB picks up the case (recent), but can only provide a bit of background, and not any real guidance / requests. This has mainly been to point buyers to the ACEH ftp site for reports. I am definitely not very familiar with site details, other than a basic outline.

Mark,
Are you still overseeing the case for 2584 Grant Avenue in San Lorenzo (formerly Thompson & Thompson Fence Co). If so, I'd like to discuss the case with you.
Thanks,
