Subject: Request for Monitoring Well Destruction Scheduling and Waste Removal for Fuel Leak Case No. RO0000482 and Geotracker Global ID T0600101883, UNOCAL #7176, 7850 Amador Valley Blvd, Dublin CA 94568

Dear Mr. Responsible Parties:

The public participation period seeking comments on the potential closure of the subject site ended on January 19, 2014. No comments were received by Alameda County Environmental health (ACEH) regarding the potential closure. Therefore, ACEH requests that the destruction of all wells at the site be completed by the date requested below.

ACEH requests that waste (as defined by the LTCP) be removed from the site, wells are destroyed, and the Well Decommissioning Report and appropriate documentation submitted. Please contact the Alameda County Public Works Agency at 510-567-6791 or online, to obtain the required well destruction permits. Please provide notification to ACEH of the date of planned well destruction and waste removal activities.

TECHNICAL REPORT REQUEST

Please upload technical reports to the ACEH ftp site (Attention: Teena Le), and to the State Water Resources Control Board's Geotracker website, in accordance with the specified file naming convention below, according to the following schedule:

- **May 11, 2014** – Well Destruction Report, inclusive of disposal documentation. File to be named RO482_WELL_DCM_R_yyyy-mm-dd

These reports are being requested pursuant to California Health and Safety Code Section 25296.10. 23 CCR Sections 2652 through 2654, and 2721 through 2728 outline the responsibilities of a responsible party in response to an unauthorized release from a petroleum UST system, and require your compliance with this request.

Online case files are available for review at the following website: <http://www.acgov.org/aceh/index.htm>.
