Hello Mr. Wickham,

How are you.

Subject: PG&E Notification of Pending Excavation Nearby Land Use Restrictions Site, Project CD-09A, Location: L-105N MP33.28.

PG&E will excavate access to pipeline L-105N, at dig location CD-09A, 16th Avenue and Embarcadero, Oakland, CA. A search of Environmental databases in advance of the excavation shows that dig location is nearby a Land Use Restriction sites referenced as Case No. T0600101898 (Post Closure Site Management Requirements - No excavation of contaminated soils without Agency review and approval). PG&E notification to Alameda County is required before excavation may proceed.

Distance and direction from dig location is about 700 feet northeast to the post closure site (William Wurzbach Company, 1200 20th, Oakland, CA).

PG&E's Dig Location is not contiguous to, or otherwise similarly situated with respect to the Land Use Restriction site(s).

PG&E's pending excavation at the dig location should not impact the Land Use Restriction site(s).

Please indicate if additional information is needed; and, if you have any issues or concerns. PG&E appreciates Alameda County's consideration and assistance in this matter.

Regards,

Matthew Nushwat
