Subject: Suspension of Groundwater Monitoring, Fuel Leak Case No. RO0002444 and GeoTracker
Global ID T0600173591, Unocal #7124, 10151 International Blvd., Oakland, CA 94603

Dear Responsible Parties:

Alameda County Department of Environmental Health (ACDEH) staff has reviewed the case file including the recently submitted document entitled *Semi-Annual Status Report, Fourth Quarter 2017* (GWM) dated January 3, 2018 and prepared by Arcadis U.S., Inc. (Arcadis) for the referenced site. In the GWM, Arcadis expresses the opinion that no further groundwater monitoring is warranted.

As you are aware, ACDEH is considering the above referenced site for potential case closure. ACDEH concurs with Arcadis that the monitoring of groundwater may be suspended while we make a final determination regarding case closure.

Should you have any questions, please contact me at (510) 567- 6764 or send me an electronic mail message at keith.nowell@acgov.org.

If your email address does not appear on the cover page of this notification, ACDEH is requesting you provide your email address so that we can correspond with you quickly and efficiently regarding your case.
