Dear Ms. Wooldridge:

Thank you for your "Request for Oversight of a Brownfield Site" for the Jean Sweeney Open Space Park site located at 1925 Sherman Street, Alameda CA. As required under the Memorandum of Agreement (MOA) among the California Environmental Protection Agency (Cal/EPA), the Department of Toxic Substances Control (DTSC), and the State and Regional Water Boards, DTSC and Water Board staff discussed your MOA application to determine the appropriate lead agency. Under the criteria outlined in the MOA, the two agencies determined that DTSC is the appropriate oversight agency for your project.

Karen Toth supervises the unit within DTSC covering this portion of Alameda County. Ms. Toth can be reached at (510) 540-3834 or Karen.Toth@dtsc.ca.gov. Tom Price of her staff will contact you shortly to discuss the next steps. Mr. Price can be reached at (510) 540-3811 or Thomas.Price@dtsc.ca.gov.

Sincerely,

Janet Naito
