Dear Helen,

Please find soil report attached as discussed in our telephone conversation on Aug 3 re notice to comply from the Alameda County Health Care Services for case mentioned above.

This is no longer a vacant lot, a single family residence was built in 2001/1002.

Please advise me if I need to take further action, the notice stated this matter needed to be dealt with by Aug 10. If you have any further questions do not hesitate to call me.

Sincerely,
Marie Henry
