Subject: Will drill on Fri Feb 16 07

Bishop Jackson Rene;

Clear Heart Drilling and I will be drilling the site on 1001 77th, Oakland, on Friday Feb 16, 2007, at 7:00 am. We should be there until 5:00 pm to complete the work. I have obtained all of the necessary permits from the City of Oakland, and will go visit the neighbors today to let them know of our plans. I will also mark the site for Underground Service Alert. I have the pre-printed signs given to me by the City which state there will be construction in the parking lanes around your property. I have submitted all of the paper work for the well permit to the County of Alameda Public Works and expect to receive the permit before we drill.

Do you have a water supply available on site?

Thanks, Frank 707 758-6614
