Joshua,

Attached is the directive letter that I sent out earlier this year for your wife's former property. I should have sent this to Elizabeth rather than the Adamopoulos's so just ignore that name as they have nothing to do with the site. As I mentioned in our conversation, Terry Grayson is the contact at ConocoPhillips who can add you to the cc list on the reports he prepares. You can also access all reports that we have for this site online at the link listed at the bottom of this page. If you need help with that please feel free to call or e-mail.
