<<Agency letter.pdf>>

Dear Barbara,

We are attempting to secure the preferential pathway, utility and well surveys from the required agencies (i.e. Public works) for Site # 1028 located at 5300 Broadway in Oakland but have yet to secure. Due to this we are asking for an extension of the work plan from September 30th to October 31st 2008 (please see attached letter).

Thank you for your understanding and hopeful approval of this request.

Respectfully,

Terry L. Grayson
