Subject: RO2968 Unocal 3072 Castro Valley

Dear Mssrs. Borgh and Barnard,

I have reviewed the work plan and work plan addendum for the referenced site and find that I am missing a report from TRC called Baseline Site Assessment from 2005. This has data from soil borings that I would like to review with the other site data. Can you please upload this report to our ftp site.

Regards,

Barbara Jakub, P.G.
