Mr. Nowell:

On May 30, 2012, Antea Group submitted to your office a Case Closure Request for the above referenced location. As of today it has been more than sixty days and we have yet to hear back from you concerning our request. I would like to work with the Alameda County Health Care Services Agency (ACHCSA) to get this site closed in a reasonable time frame, but if I don't hear back from by August 10, 2012 I will be petitioning this site to the State Water Resources Control Board (SWRCB) for their consideration.
