Company: P&D Environmental

Start: Fri 8/19/2011 1:30 PM
End: Fri 8/19/2011 1:35 PM
Duration: 5 minutes

Paul King calls to discuss if I reviewed the documents he sent via email about the plume in the area. I asked him about the vent pipe and possible tank that may be associated with the vent pipe and dispenser. Our request to have them look for the UST still holds. Paul wants to talk next week about the TCE plume in the area. I tell him next week will be good and for him to call me.
