Subject: Request for Funds; SCP Case File # RO0003009 and Geotracker Global ID # T10000001598; Western Forge & Flange, 540 Cleveland Ave. Albany, CA 94706

Dear Mr. Pierce:

The referenced site is a Site Cleanup Program (SCP) case due to the presence of soil and groundwater contamination at the property. Alameda County Environmental Health (ACEH) is the agency providing regulatory oversight for this case. In order for ACEH to complete the regulatory review and closure process, ACEH requires a deposit to an oversight account. It has been over a year since the previous request, and the site has gone through multiple iterations of review and revision. At present there is approximately \$3,000 in unrecovered expenditures that have accumulated at the site. Consequently please send a check in the amount of \$6,000.00 payable to ACEH. Per your request, a copy of invoice totals and itemized invoice charges is attached to this request letter. Please send your check to the attention of our Finance Department; copied below.

This deposit may or may not be sufficient to provide all necessary regulatory oversight. ACEH will deduct actual costs incurred based upon the hourly rate specified below. If these funds are insufficient, additional deposit will be requested. Otherwise, any unused monies will be refunded to you or your designee.

The deposit is authorized in Section 6.92.040L of the Alameda County Ordinance Code. Work on this project is being debited at the Ordinance specified rate, currently \$189.00 per hour.

Please write "SCP" (the type of project), the site address, and the number AR326940 on your check.

If you have any questions, please call Mark Detterman at (510) 567-6876 or contact him by electronic mail at mark.detterman@acgov.org.

Sincerely,

Ariu Levi
Director
