I guess they reported the spill to CUPA? Did they follow-up?

Hello. As a follow-up, ando merendi will be contacting you to discuss the spill at the alameda federal center. The site did contact your agency and spoke with: Barney chan.

Mr. Chan had them contact the calepa as well. I am sorry, I am not in the safety branch and can't elaborate at this time. Again, mr. Merendi will be calling you shortly. If you need anything else, please let me know.

Hi Danielle,

We recently closed (06/2009) a previous subsurface contamination case this facility (Case# RO2903). Today I received the notification below about a new release at your facility. Can you provide ACEH with more information and report on this release by the end of the week? Have you stopped the release?

Thanks, Donna
