ACCEPTED DOCUMENT ON FTP SITE

CASE: NOT YET, 620 CENTRAL AVE

Your recently submitted document was successfully uploaded to the Alameda County Environmental Health Toxics Program ftp site. The document will appear in the case file within the next 2 to 3 business days. Your case worker has been notified of the document submittal. If the document requires a response from this agency and you have not heard from your case worker within 60 days from the date your submittal was accepted, please contact the case worker.

Online case files can be reviewed at <http://www.acgov.org/aceh/lop/ust.htm>

Confidentiality Notice: This e-mail message, including any attachments, is for the sole use of intended recipient(s) and may contain confidential and protected information. Any unauthorized review, use, disclosure, or distribution is prohibited. If you are not the intended recipient, please contact the sender by reply e-mail and destroy all

Subject: Report Upload

Please be advised that ENV America's "Work Plan to Evaluate a Pipeline Leak, Remove Affected Soil, Replace the Pipeline, and Restore the Area to its Original Condition" for Federal Building 2C in Alameda has been uploaded to the County's ftp site. As a case has not been opened yet, I was unable to put an RO number in the file title; the file is named "RO#_Work Plan-Federal Building 2C_2009-09-23.pdf." Voytek Bajsarowicz is available at 415.989.9933 x.222 if you have any questions.
