Hi Barbara,

I wanted to provide you with the required notification that we will be performing the approved field work on the weekend of September 18 and 19, 2010 at the Alameda Federal Center 620 Central Avenue Alameda, California. Please let me know if you require anything else prior to us performing the work. I have contacted Alameda County Public Works for a permit and have informed them of the date as well.

Thanks,

Charles Rome

Hi Charles,

Here is the email I sent to you at your ENV address.

You have preliminary clearance now so you will need to be the escort for the work that will be taking place.

Thanks.
