Hello Keith

Attached are the remaining two documents you requested in your letter dated July 18, 2018

I filled out and signed both.

Regarding The landowner info, the legal owner of the property is an LLC, and I am the managing member, so I put that info in as such.

I completed the URF form to the best of my knowledge, referencing the closure report. However, I left two sections blank as I am unsure of what I should indicate for Case Type and Current Status. Please direct me.

I looked but did not see how to upload these two documents to geotracker site, as they have different nomenclature than the types of documents listed to be uploaded. Your assistance is appreciated.

Finally, my apologies for not doing this earlier...If they were mailed through traditional post, they went to my old address.

Thank you,
