Subject: RO3206 - Wood St. Redevelopment; RE: PSAI RAP review

Hi Tom,

I've have completed a preliminary review of the RAP and am in general concurrence with it. However, I have not reviewed the document with Dilan, who has been out of the office for the past 3 days.

I anticipate our review will occur this week, pending Dilan's schedule.

Please include the Alameda County Department of Environmental Health (ACDEH) case file number in subject line for future correspondences.

Regards,
Keith Nowell

Hello Keith - hope all is well. Just checking in on status of your review of the RAP. WEST also uploaded the RRMP last week, so hopefully you should have all the documents to complete the review.

Thanks,

Tom
