Hi Kris:

We will not be preparing an agenda. The purpose of the meeting is to discuss the data presented in the Soil Sampling and Characterization Report and get a better understanding of the data with respect to the site development.

Dilan,

I sent an e-mail to Teena last Friday afternoon to try to schedule a meeting regarding the UCSF Benioff Children's Hospital (747 52nd St. in Berkeley) site for this Friday 7/8 at 9 am, but unfortunately she was already out of the office. I realize she's on vacation this week, so I was hoping we could work directly with you on scheduling this, so please let me know if you're available to meet this Friday at 9 am.

Thanks,

Hello Teena, I will be out on vacation on those dates but it may be possible for either Richard West or Tony Solano to attend in my absence.

Can you provide a draft agenda? We can determine attendees from a high level agenda.

Thanks.
