Hi Paresh

We will need an extension. The access agreement discussion continues. Once we have an access agreement in place, we will contact you with a report delivery date.

Thanks  
Jon

Hi Paresh

The attached approval letter has a report submission date of September 27, 2017. We have secured the permits for the investigation work but are working to finalize the access agreement with the property owner. That agreement may take another two weeks. We will need an extension (probably 30 days) to complete the access agreement, perform the work and submit the report. Once we have the signed access agreement, we can notify you of the proposed report submittal date. Please let us know if that is acceptable.

Thanks and have a wonderful holiday week.  
Jon
