Hi Don -

Hope you had a relaxing vacation. I am writing to followup on our phone call from July 31, 2003. I was asking about the County's review of the closure request(s) for this site (6/4/01 & 10/31/02). You checked into it far enough to confirm that you were the case worker, and said that you'd probably review it when you got back from vacation.

Please let me know if there is any information you still need, or if there is some sort of summary form that Cambria could complete that would facilitate your review. We are anxious to receive closure so that we may destroy the site wells this calendar year.

Regards,
