Hollis,

The site is in an interesting area with multiple sites in the vicinity of RO14. I'll need some time to review the area data and then we can schedule the meeting.

Thank you for your patience.

Regards,
Keith Nowell

Keith:

I see in GeoTracker the Work Plan for the above referenced site is not showing up on the public page. It was uploaded on 06/25/14 and can only be viewed under the 'pending submittals'. I also see on 06/26/14 you posted a Path to Closure Plan that references a meeting. You also requested a meeting in your 6/20/14 directive. Can you let me know if you want to meet before or after you review the Work Plan.

Thanks
Hollis
