Here is the authorized DWR form. Please note that Alameda County Public Works Agency (ACPWA) should also be contacted for a search of their files if this has not been done.

Mr. Nowell,

We are performing a well survey for a site you oversee (Fuel Leak Case No. RO0000014 and Geotracker Global ID T0600100213. BP#11132, 3201 35th Avenue, Oakland, CA 94619). Using the attached form, I would like to request a cd of well completion report information with un-redacted ownership data from the California Department of Water Resources. We are requesting information that covers wells located within a 2,000 foot radius of the site.

This request form requires a signature from the regulator before submittal to DWR. Can you please sign and return this application to me at your earliest convenience?

Thank you.
