H Paresh,

GeoEnviro Services made a second attempt to contract the adjacent property owner Mr. Albert and Nancy Wong in July 2009.

On July 7, 2009 we sent an access agreement by certified mail. The receipt is attached. According to the receipt, a notice was left at their address on July 9, 2009. As of July 25, 2009, the letter was unclaimed at the San Leandro post office.

I called the Alameda County Assessor today and double checked their address. The package was sent to their address on file with the Assessor's office.

At this time, we do not have authorization to proceed with offsite assessment at the property located at 539-553 West A Street, Hayward.

Next week, GESI will attempt to visit the property and locate a tenant who may be able to provide an address or phone number.

I will keep you posted as to the outcome.

Your May 8, 2009 letter requested the submittal of the site assessment report by August 6, 2009. At this time, we will require additional time to completed the requested assessment activities. We request a 90 day extension for the submittal of the final report. Please let me know if you would like an official letter requesting a time extension.

Thank you,

Joseph P. Schaaf, P.G., C.Hg.
