Subject: RO026 - 5755 Broadway, Oakland (Shell SAP #135699) - Work plan addendum and extension request

Jerry,

On behalf of Shell Oil Products US, Conestoga-Rovers & Associates (CRA) is submitting this work plan addendum because we were unable to obtain an access agreement from the adjacent property owner. CRA will follow the scope of work detailed in our May 31, 2013 *Revised Subsurface Investigation Work Plan*, which was approved in Alameda County Environmental Health's (ACEH's) June 12, 2013 letter, with the exception of the revised soil vapor probe locations shown on the attached figure. CRA requests an extension of the due date for a report on the soil vapor investigation to November 24, 2013.
