Subject: RO0029 Eandi Metal Works, 2440 East Eleventh Street, Oakland

Status: Not Started

Percent Complete: 0%

Total Work: 0 hours

Actual Work: 0 hours

Owner: Wickham, Jerry, Env. Health

Called Doug Lovell of Streamborn on 5/19/2006 and requested that they upload the SCM to the FTP site; sent instructions by email. Discussed MNA being the recommended path to closure. Since site was excavated to maximum extent previously, not likely to require further remediation. Install additional wells and monitor for period of time.
