Mary Rose Cassa, RWQCB

Jim Gribi called her re: pending closure since last summer?

Gribi indicated he left me a voice mail last week. No I did not receive a call for Gribi.

Told her case file was missing. requested RP to send in reports, some reg files submitted by Gribi, he could not get all reports from RPs, not cooperating with each other?

Technical issue remains re: no d/g MWS.

Will have CW review
